Homes at Sea

Explora Journeys was born from a long-held vision of the founders, the Aponte Vago family; and with their innate understanding of luxury, the family has carefully curated the design of the suites, penthouses & residences to create a luxurious home at sea. The design reflects the brand's philosophy of creating an Ocean State of Mind, thanks to light, colour, space, privacy, and connection with the sea.

Exquisitely designed to stimulate the senses and enhance the connection with the ocean, the innovative ships will seamlessly blend elegant Swiss precision with modern European craftsmanship and vibrant design, to create luxurious, serene, and spacious 'Homes at Sea' ranging from 35 sqm (377 sq ft) in the Ocean Terrace category up to 280 sqm (3014 sq ft) for the Owner's Residence.

Each suite has been created with simplicity and comfort, and presents unrivalled space and privacy to offer a real 'Home at Sea'. The lead in category Ocean Terrace Suites and the 39 sqm (420 sq ft) Ocean Grand Terrace Suites are some of the largest in the industry, and feature their own private terrace, between 7-11 sqm (75-118 sq ft), creating an extension to the living space complete with daybeds and an alfresco dining area, bringing guests closer to the ocean.

Elevating the suites to a luxurious home, each 'Home at Sea' comprises a walk-in wardrobe with a seated vanity area and features a Dyson Supersonic hairdryer, heated floors in the bathrooms, personal binoculars, wireless bed-side charging, a personal mini-bar replenished according to the guests'

preferences, espresso machine with bio-degradable pods, a kettle and teapot, and a complimentary personal refillable water bottle for each guest. 24-hour guest services also ensure every desire or request is provided.

Ocean Penthouses range from 43 to 68 sqm (463 - 732 sq ft), while Ocean Residences range from 70 to 149 sqm (753 - 1604 sq ft), making them among the largest in the industry.

The Ocean Penthouses offer a sumptuous retreat with ocean-front floor-to-ceiling windows and expansive terraces to unwind and relax. Each of the four penthouse types offers a distinctive private dining area for four and a large seating area that provides an inviting space for guests to entertain in their suite, as well as a calm, comfortable place to spend time and relax.

The spacious Ocean Residences will offer effortlessly elegant spaces with separate living, dining and sleeping areas. Panoramic ocean-front terraces offer a private outdoor whirlpool, a dining table and sun loungers. The materials showcase the care, attention and calibre of the design, such as Calacatta Macchia Vecchia marble used in the bathrooms of Cocoon, Serenity and Retreat Residences. The Cocoon and Serenity Residences feature unique wrap-around terraces, while Cocoon, Serenity and Retreat Residences offer a separate bathtub and walk-in-shower. All Ocean Residences are served by a dedicated team of Residence Hosts providing bespoke butler services 24 hours a day.

The culinary experiences promise something for every palate and provide the perfect scene for long, languorous lunches and vibrant evenings. Guests can enjoy inclusive dining and beverage experiences in almost all restaurants, bars, and lounges onboard. Explora Journeys offers unlimited beverages, fine wines, and premium spirits, including in-suite minibar, speciality coffees teas and soft drinks available any time. For connoisseur guests or those wishing to elevate their experience or celebrate a

special occasion, an ultra-exquisite selection of wines, spirits, and liqueurs, will also be available for an additional fee.

Throughout the year, wine selections will reflect the regional areas where the ship sails, while offering favourite grape varieties. Sommeliers will constantly source boutique wine labels to build an inspiring menu with truly interesting selections. For example, Chardonnay will not come from the expected places such as the Napa Valley, but regions where there are interesting, emerging and niche choices such as Switzerland and other European countries.

An exclusive mixology programme has been curated including a signature 'Ocean State of Mind' cocktail using gin made with seaweed algae. Exclusive wine, whiskey and spirit tastings, pairings, cocktail-making masterclasses and 'Meet the Winemaker' events will be held onboard, as well as wine-themed destination experiences ashore.

The vast experience, artistic flair and culinary sophistication that these experts bring to Explora Journeys kitchens ensures that guests will enjoy dining that is simply exceptional.
