WINDSTAR
CRUISES

Overview

Poised as if to kiss the continent of Africa, Andalusia hugs the southern coast of Spain and embraces cultural influences from both sides of the strait. This is the birthplace of Don Juan and Carmen, evening paseos by women in lace mantillas, cape-twirling matadors. In short, it is quintessential Spain. The beaches of the Costa del Sol are legendary. And behind lie equally magnificent mountain ranges sheltering picturesque “white villages.” Here you won’t find cookie-cutter castles, but amazing cultural amalgams like the Alhambra and Alcázar. On your elegant ship, you will cruise past larger ships right to the heart of old towns and to the steps of friendly bodegas.

Beyond Ordinary Care program

Here at Windstar Cruises, the health and safety of everyone on board is a top priority. We are connected to health industry experts and following regulatory requirements in every area of the world we sail. Our team is implementing additional technologies that go beyond these requirements as part of our new Beyond Ordinary Care program.

The Beyond Ordinary Care program is a multi-layered strategy with key hospital-grade elements: HEPA filters and UV-C ultraviolet germicidal irradiation to filter and disinfect the air, plus electrostatic sprayers to sanitize all surfaces throughout the yacht. Our Beyond Ordinary Care program was developed with consultation and review by the Senior Medical Director in the UC Health Infection Control and Prevention Department at the University of Colorado School of Medicine and implements a rigorous multi-layered approach of science-led best practices aimed at keeping everyone aboard healthy. For more info, please visit <https://www.windstarcruises.com/health-safety/overview/>

At time of brochure publication, all guests are required to provide proof of a completed current vaccine course (one or two shots, depending on the brand) finished at least 14 days prior to the guest's embarkation date upon arrival at the pier. All guests will receive a free COVID-19 antigen test at the pier prior to embarkation and a negative result is needed to embark. These requirements are subject to change

Tuesday, August 9 At Sea

Wednesday, August 10 Cadiz, Spain 8am-10pm

Cádiz is the most southern province of the Iberian Peninsula. It is extremely rich in natural beauty and some of the most important Natural Parks of Spain and Europe are found here including Sierra de Grazalema and los Alcornocales. Both are rich in flora and fauna, including species under threat of extinction. Many birds find their resting and feeding place here just after or before making the jump from or to Africa.

Thursday, August 11 Gibraltar, Spain 9am-6:00pm

It's an odd bit of Britain here at the toe of Spain, with Barbary apes and miles of tunnels as well as traditional red phone boxes. Legend says Gibraltar was one of the two pillars erected by Hercules to mark the edge of the world. Take the cable car to the top to see if you can see it from here. No, that's not it. That's just Africa. What a view.

Friday, August 12 Malaga, Spain 8am- 8pm

Here, on the shores of Costa del Sol, the Andalusian spirit thrives. Be sure to include an optional visit to see the brilliant and comprehensive collection of Picasso's work at Museo Picasso Málaga, a tribute to this artistic genius in the city of his birth. Or you may choose to opt for a visit to the beautiful village of Mijas, where picturesque Andalusian country life creates some of the world's best wines.

Saturday, August 13 Almeria, Spain 7am- 6pm

Enjoy a walking tour of this ancient city. If you prefer, opt for a beautiful drive through the Andalusian countryside to Granada and the magnificent UNESCO site, the Alhambra Palace. Built in the 14th century, this breathtaking example of Moorish architecture combines intricate mosaics and stone-cast latticework in a tapestry of grace and sophistication unparalleled in western civilization. Or take an optional excursion into nature at one of three UNESCO Biosphere Reserves.

Sunday, August 14 Cartagena, Spain 7am- 12 noon

The walled town of Cartagena is a popular seaport with a large naval shipyard. The seashore offers a wide range of activities from windsurfing to good snorkeling to sailing. From Cartagena you can easily explore the ancient city of Murcia, the coastal resorts of Mazarrón, Cala Cortina, and Cabo de Palos or a little further north, the world famous resort of Mar Menor.

Monday, August 15 Palma de Mallorca, Spain 9am- 5pm

Mallorca is steep, green, and fringed with enticing coves and more than 200 lush beaches. But all that natural beauty is just the beginning. Stroll along the tree-shaded Paseo de Born in search of tapas. Shop for a Siurell; a traditional red, green, and white clay whistle dating back to the time of the Moors. Watch the street performers on the piazza around the church, or cross the island to beautiful Sóller. Not to be missed is the cultural landscape of the Serra de Tramuntana, a UNESCO World Heritage Site.

Tuesday, August 16 Barcelona, Spain Arrival early morning. 1 night in Barcelona at centrally located, 4 star hotel.

Transfer from ship is included. Afternoon city sightseeing with visit to Sagrada Familia is included.
